TSX, ASX: AVM
Common shares outstanding 71.1 million

Appointment of Dr Toby Bradbury Vice President Operations, DRC

Perth, Australia: Anvil Mining Limited (TSX, ASX: AVM), (“Anvil” or the “Company”) is pleased to announce the appointment of Dr Toby Bradbury, Vice President Operations, DRC. Toby will succeed Malcolm Hillbeck who will be retiring later this year. For the next few months, Toby will familiarise himself with the Company’s operations in the Democratic Republic of Congo.

Toby has over 25 years international experience in the mining and minerals sectors, in South Africa, UK and Australia across a broad range of commodities. For the past five years, working through his own consulting practice, Toby has provided corporate, strategic, operating and risk management guidance to mining businesses throughout Australia, China and South Africa.

Previous employment roles in Australia include General Manager Mining for HWE Mining, responsible for all Australasian surface and underground mining operations and General Manager Opencut Operations for Glencore Coal Australia, the forerunner to Xstrata Coal.

Toby has accumulated significant knowledge in the planning, development and operation of surface and underground mining activities including the mineral processing, marketing and logistics functions.

Toby holds a degree in Mining Engineering and a PhD in Rock Mechanics from the University of Wales and a Masters Degree in Business Leadership from the University of South Africa. He is a qualified Mine Manager, a Chartered Engineer and Fellow of the Institution of Mining Engineers, a Fellow of the Australian Institute of Mining and Metallurgy and a Graduate Member of the Australian Institute of Company Directors.

Anvil Mining Limited is an unhedged copper and silver producer whose shares are listed for trading on the Toronto Stock Exchange (as common shares) and the Australian Stock Exchange (as CDIs) under the symbol AVM. It has majority interests in and operates the Dikulushi copper-silver mine, the Kinsevere copper mine, and the Kulu copper tailings operation in the Katanga Province of the Democratic Republic of Congo.
